(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

The last office action was not received by mail or by email. I don't know how you can prove something did NOT happen, but I promise, I affirm and I swear I did not receive this latest office action until after I made a special inquiry on January 19, 2005, and my examiner faxed it to me.

I have no reason to fabricate this or to delay this. Paying more fees is not fun.

My mail service operates normally in all respects, except once every year or two exceptionally high winds have blown mail from my mailbox. (I don't believe this was the case here, since Sept/Oct 2004 were fairly mild.)

My examiner did acknowledge that in spite of the PTO's best efforts there are sometimes problems with the mail.

Please accept my petition under 37 CFR 1.137(a), as I could not timely reply without the office action. Also please communicate with me at my new permanent email address on this matter if possible at:
wtaylor@vistagaming.com.

Thank you.

(Please attach additional sheets if additional space is needed.)
